

The 30th Anniversary MMNC Division Football Competition

(By Anthony MAN and Sze LUI)

The Mechanical, Marine, Naval Architecture and Chemical (MMNC) Division launched an absolutely exciting and meaningful football competition for the 30th Anniversary of MMNC Division on 30 November 2008. This competition was divided into two separate sessions: the 30th Anniversary MMNC Division Football Cup and the 30th Anniversary MMNC Division Youth Cup.

The football competition started with a kick-off ceremony of the 30th Anniversary MMNC Division Youth Cup at 11:00am in the Sports Complex of the Hong Kong University of Science and Technology (HKUST). Ir Barry Lee, the Chairman of MMNC Division, was the guest of this kick-off ceremony. The first competition taken place was Parsons Brinckerhoff Limited (PBA) versus the joint university team combined by The Hong Kong Polytechnic University and The University of Hong Kong (Joint U). PBA team had defeated Joint U team with the result of 1:0. After that, PBA team had also won HKUST team with the same result.

Meanwhile, the 30th Anniversary MMNC Division Football Cup began with another kick-off ceremony. Ir W K Chow, Past Chairman of MMNC Division, was the guest of this kick-off ceremony. The HKIE-MMNC team competed with the Institution of Mechanical Engineers (IMEchE) team for the 30th Anniversary MMNC Division Football Cup and finally IMechE won the match in the penalty session.

Finally, Ir C Y Fong, captain of the Football Team of MMNC Division as well as the Past Chairman of MMNC Division, presented the 30th Anniversary MMNC Division Youth Cup to PBA team (Champion of Youth Cup). Besides, he awarded the 30th Anniversary MMNC Division Football Cup to IMechE team (Champion of Football Cup). Ir Barry Lee expressed his deepest gratitude to all the participants for supporting the Football Competition. He also added that the 30th Anniversary of MMNC Division was memorial to everyone and the Football Competition was held successfully and strengthened the linkage of mechanical engineers and students in Hong Kong.
